Visual Identity System

Color Palette

Primary	#1F2937
Secondary	#FBBF24
Accent	#059669

Typography

Primary Font: Source Sans Pro

Secondary Font: Inter

Source Sans Pro selected as primary font (scored 19 points from 9 fonts evaluated) for its professional appeal and excellent readability in Media & Publishing (Business Journalism & Digital Media). sector. Inter chosen as secondary font to provide visual hierarchy and complement the primary typeface. Font colors optimized for readability and brand consistency. Font choices align with brand personality traits: innovative, forward-thinking.

Brand Narrative & Voice

Brand Story

In a world where information is power, Forbes Media stands as a beacon of innovation and integrity, empowering business leaders, entrepreneurs, investors, professionals, high-net-worth individuals, and aspiring youth with cutting-edge Media & Publishing solutions. Our story began with a vision to provide a platform that offers more than just news - a platform that inspires, educates, and elevates. We are driven by the core values of entrepreneurship, excellence, and a global perspective, ensuring that our audience receives the most credible and influential insights to make informed decisions in an ever-evolving business landscape. At Forbes Media, we believe in the power of storytelling to drive change and shape the future. Our unique value proposition lies in our distinctive approach to Business Journalism and Digital Media, offering a holistic view of the business world that resonates with our diverse audience. Whether you are a seasoned business leader navigating complex markets or a young professional looking to make your mark, Forbes Media is here to guide and inspire you on your journey to success. Our brand promise is simple yet powerful - to empower individuals with the knowledge and resources they need to thrive in today's competitive environment. Through our innovative and forward-thinking solutions, we aim to not only inform but also to inspire action and drive impact. Join us on this journey of discovery and growth as we continue to push the boundaries of Media & Publishing, setting new standards for

excellence and making a difference in the lives of our audience.
Forbes Media - where innovation meets influence, and where your success story begins.

Voice & Tone

The brand voice and tone for Forbes Media should be authoritative, confident, and professional, reflecting the values of innovation, integrity, entrepreneurship, excellence, global perspective, influence, and credibility. It should exude a sense of authority and expertise, catering to a sophisticated audience of business leaders, entrepreneurs, investors, professionals, high-net-worth individuals, and aspiring youth. The tone should be informative and insightful, providing valuable and timely business news, analysis, and advice. It should inspire and empower its audience to achieve their goals, make informed decisions, and navigate the complex world of business and finance. Overall

Messaging Architecture

Messaging Architecture for Forbes Media: 1. Key Value Propositions:

- Stay Informed: Access exclusive business insights, trends, and analysis from industry experts to stay ahead in the ever-evolving business landscape.
- Empower Decision-Making: Equip yourself with actionable strategies and advice to make informed decisions that drive success in your business ventures.
- Inspire and Motivate: Discover inspiring stories of successful entrepreneurs, innovative companies, and impactful leaders to fuel your own aspirations and ambitions.

Usage Guidelines

Logo Usage

- Maintain minimum clear space around the logo
- Use approved color variations only
- Do not distort, rotate, or modify the logo
- Ensure sufficient contrast on all backgrounds
- Use vector formats when possible for scalability

Color Usage

- Primary colors for headers and key elements
- Secondary colors for backgrounds and large areas
- Accent colors for calls-to-action and highlights
- Maintain WCAG AA contrast ratios for accessibility
- Use CMYK values for print applications
