Brand Narrative & Voice

Brand Story

Once upon a time in the bustling streets of urban India, there existed a place that redefined the traditional chai experience. This place was Chaayos - a modern chai café that catered to the needs and desires of the urban millennials, young professionals, office-goers, and students who craved a contemporary twist on their favorite beverage. At Chaayos, tea wasn't just a drink; it was an experience. It was a blend of innovation and tradition, where each cup was crafted with care and precision to delight the senses. The aroma of freshly brewed chai wafted through the air, drawing in tea enthusiasts and digital-savvy consumers alike who sought a taste of something new and exciting. But Chaayos was more than just a café; it was a community hub where people could come together to connect, relax, and recharge. The warm and inviting atmosphere invited guests to linger over their favorite brew, whether it was a classic masala chai or a trendy fusion creation. What set Chaayos apart was its commitment to quality and consistency. Each cup of chai was made with the finest ingredients, sourced from trusted suppliers who shared Chaayos' dedication to excellence. Customers could always count on the same great taste, no matter which Chaayos café they visited. But what truly made Chaayos special was its personalized touch. Customers could customize their chai just the way they liked it, whether they preferred it strong or light, sweet or spicy. This attention to detail and commitment to customer delight set Chaayos apart as a brand that

truly cared about its patrons. As Chaayos continued to grow and expand, it remained true to its core values of innovation, authenticity, and warmth. It was a place where modern tradition met cutting-edge creativity, where premium quality met convenience. Chaayos wasn't just a chai café; it was a lifestyle choice for those who appreciated the finer things in life. And so, the story of Chaayos became a legend in

Voice & Tone

Chaayos' brand voice is friendly, modern, and inviting. Usage Guidelines

Logo Usage

- Maintain minimum clear space around the logo
- Use approved color variations only
- Do not distort, rotate, or modify the logo
- Ensure sufficient contrast on all backgrounds
- Use vector formats when possible for scalability

Color Usage

- Primary colors for headers and key elements
- Secondary colors for backgrounds and large areas
- Accent colors for calls-to-action and highlights
- Maintain WCAG AA contrast ratios for accessibility
- Use CMYK values for print applications
