Brand Narrative & Voice

Brand Story

In the fast-evolving landscape of Banking Technology and Fintech, one name stands out as a beacon of innovation and reliability – Zeta. At Zeta, we are more than just a technology company; we are a partner in progress for Banks, Fintech companies, Financial institutions, NBFCs, and Corporates looking to revolutionize the way they do banking. Our core values of reliability, innovation, precision, scalability, partnership, compliance, transparency, speed, and customer empowerment guide everything we do. Picture this: a world where banking is seamless, efficient, and tailored to meet the unique needs of each customer. This is the world that Zeta is creating through our cutting-edge Banking Technology and Fintech solutions. We believe in empowering our clients to not just keep up with the times but to stay ahead of the curve. What sets us apart is our unwavering commitment to providing distinctive solutions that are business-centric and scalable, particularly in markets like India. We understand the challenges our clients face in this dynamic industry, and we are here to provide them with the tools they need to succeed. Our brand promise is simple yet powerful – to empower Banks, Fintech companies, Financial institutions, NBFCs, and Corporates launching embedded banking through innovative solutions that drive growth and foster success. We are not just a technology provider; we are a strategic partner invested in the success of our clients. With Zeta, you can expect more than just a solution; you can expect a

transformation. Our brand personality of being innovative, forward-thinking, and creative drives us to push the boundaries of what is possible in the world of Banking Technology and Fintech. Join us on this journey towards a future where banking is not just a transaction but an experience. Together, we can redefine the way the world does banking. Welcome to Zeta – where innovation meets reliability, and success is not just a goal but a guarantee.

Voice & Tone

Zeta's brand voice is authoritative, yet approachable, reflecting its core values of reliability, innovation, precision, scalability, partnership, compliance, transparency, speed, business-centric approach, and customer empowerment. The tone is professional, yet inclusive, catering to a sophisticated audience of Banks, Fintech companies, Financial institutions, NBFCs, and Corporates launching embedded banking solutions, especially in markets like India. The messaging is clear, concise, and focused on delivering value through cutting-edge technology and seamless financial solutions. It exudes confidence in Zeta's ability to meet the diverse needs of its

Usage Guidelines

Logo Usage

- Maintain minimum clear space around the logo
- Use approved color variations only
- Do not distort, rotate, or modify the logo
- Ensure sufficient contrast on all backgrounds
- Use vector formats when possible for scalability

Color Usage

- Primary colors for headers and key elements
- Secondary colors for backgrounds and large areas
- Accent colors for calls-to-action and highlights
- Maintain WCAG AA contrast ratios for accessibility
- Use CMYK values for print applications
