Visual Identity System

Color Palette

Primary	#1F2937
Secondary	#F97316
Accent	#1D4ED8

Typography

Primary Font: Inter

Secondary Font: Source Sans Pro

Inter selected as primary font (scored 23 points from 9 fonts evaluated) for its professional appeal and excellent readability in Technology & Mobility (Ride-hailing, Delivery, Transportation) sector. Source Sans Pro chosen as secondary font to provide visual hierarchy and complement the primary typeface. Font colors optimized for readability and brand consistency. Font choices align with brand personality traits: innovative, forward-thinking.

Brand Narrative & Voice

Brand Story

In the bustling heart of the city, where the rhythm of life beats fast and the streets are alive with energy, there is a brand that stands out among the crowd. Uber, a beacon of innovation and efficiency in the world of Technology & Mobility, is not just a ride-hailing or delivery service – it is a game-changer for urban commuters, travelers, professionals, students, businesses, and delivery consumers alike. At Uber, safety is non-negotiable, reliability is a given, and accessibility is key. We understand the needs of our diverse clientele and have built our brand around serving them with the utmost care and attention to detail. Our commitment to sustainability echoes our core values, as we strive to reduce emissions and promote eco-friendly transportation options. Step into an Uber and you step into a world of possibilities. Our cutting-edge technology is at the forefront of the industry, constantly evolving to meet the ever-changing demands of our customers. From the seamless app interface to the GPS tracking system, every aspect of your Uber experience is designed with your convenience in mind. Whether you're a student rushing to class, a professional heading to a meeting, or a traveler exploring a new city, Uber is there to make your journey smooth and hassle-free. Our brand promise is simple yet powerful: to empower you through innovative Technology & Mobility solutions that enhance your everyday life. But Uber is more than just a transportation service – we are a symbol of progress and

forward-thinking creativity. We are the bridge between where you are and where you want to be, the link that connects you to your destination with ease and simplicity. Our brand personality is innovative, practical, and customer-centric, always putting your needs first. So, next time you need a ride, a delivery, or a transportation solution, remember that Uber is not just a service – it's a lifestyle. Join us on this journey towards a smarter, more connected world, where Technology & Mobility work together to shape a brighter future for all. Uber: Where

Voice & Tone

The brand voice and tone for Uber should be a blend of friendly, authoritative, and innovative to effectively communicate its core values of Safety, Reliability, Innovation, Accessibility, Efficiency, Sustainability, and Customer-centricity to its diverse audience of Urban commuters, Travelers, Professionals, Students, Businesses, and Delivery consumers. - Safety: The tone should be reassuring and informative, emphasizing Uber's commitment to providing a safe and secure transportation experience for all users. - Reliability: The voice should be trustworthy and dependable, highlighting Uber's track record of delivering consistent and reliable service to its customers. - Innovation:

Messaging Architecture

Messaging Architecture for Uber: Key Value Propositions: 1. Urban Commuters: "Get to your destination quickly and conveniently with Uber. Say goodbye to parking hassles and unpredictable public

transportation schedules." 2. Travelers: "Arrive in style and on time with Uber. Whether you're heading to the airport or exploring a new city, trust Uber for reliable transportation wherever you go." 3. Professionals: "Maximize your productivity on the go with Uber. Focus on work while we handle the driving, so you can arrive prepared and on schedule for your meetings." 4. Students: "Simplify your campus commute with Uber. Rely on safe and affordable rides to and from classes, study sessions, and social events without the stress of parking." 5. Businesses & Delivery Consumers: "Streamline your operations with Uber's efficient delivery services. From food to packages, trust Uber

Usage Guidelines

Logo Usage

- Maintain minimum clear space around the logo
- Use approved color variations only
- Do not distort, rotate, or modify the logo
- Ensure sufficient contrast on all backgrounds
- Use vector formats when possible for scalability

Color Usage

- Primary colors for headers and key elements
- Secondary colors for backgrounds and large areas
- Accent colors for calls-to-action and highlights
- Maintain WCAG AA contrast ratios for accessibility
- Use CMYK values for print applications
